

Charging & Remissions Policy

Charging for and remissions for school activities

Great Tew School believes that all our pupils should have an equal opportunity to benefit from school activities and visits (curricular and extra curricular) independent of their parents' financial means. This charging and remissions policy describes how we will do our best to ensure a good range of visits and activities is offered and, at the same time, try to minimise the financial barriers which may prevent some pupils taking full advantage of the opportunities.

The 1996 Education Act requires all schools to have a policy on charging and remissions for school activities, which will be kept under regular review. The review date for this policy is recorded in the policy file.

1. The policy identifies activities for which:

- **voluntary contributions may be requested**
- **charges will be made**
- **charges will not be made.**
- **charges may be waived**

2. Voluntary contributions

2.1 Separately from the matter of charging, schools may always seek voluntary contributions in order to offer a wide variety of experiences to pupils. All requests for voluntary contributions will emphasise their voluntary nature and the fact that pupils of parents who do not make such contributions will be treated no differently from those who have.

2.2 The Law states:

- If the activity cannot be funded without voluntary contributions the Governing Body or Headteacher will make this clear to parents from the outset.
- No child will be excluded from an activity because his or her parents are unable or unwilling to pay.
- If insufficient contributions are received, the trip or activity may have to be cancelled.
- If a parent is unwilling or unable to pay their child will still be given an equal chance to go on the visit.

- 2.3 In order to emphasise the truly voluntary nature of the contributions we ask for, we aim to add the following statement to every request for parental contributions.

Voluntary Contributions

We cannot charge for activities which are part of the normal school day or part of the National Curriculum but we can ask for **voluntary** contributions. We do this where we want to offer a wide range of activities to broaden your child's experience but can't afford to do so without help from parents.

Your contribution is genuinely voluntary and if you do not pay your child will not be excluded from the activity **BUT if we do not receive enough voluntary contributions we may have to cancel the activity.**

Parents in receipt of certain benefits are not asked to make voluntary contributions. Please contact the school office if you are unable to pay.

3. No charges will be made for the following (although a voluntary contribution may be requested.)

- a) An admission application;
- b) Education provided during school hours (including the supply of any materials, books, instruments or other equipment);
- c) Education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of the school's basic curriculum for religious education;
- d) Tuition for pupils learning to play musical instruments (or singing) if the tuition is required as part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- e) Entry for a prescribed public examination, if the pupil has been prepared for it at the school*;
- f) Examination re-sit(s)* if the pupil is being prepared for the re-sit(s) at the school;
- g) Education provided on any trip that takes place during school hours (see 4a);
- h) Education provided on any trip that takes place outside school hours (see 4a)
 - a. if it is part of the National Curriculum, or
 - b. part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or
 - c. part of the school's basic curriculum for religious education;
- i) Supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential trip;
- j) Transport provided in connection with an educational visit.

* If a pupil fails, without good reason, to meet any examination requirement for a syllabus a charge may / will be made.

4. Charges may be made for

a) Activities outside school hours

Residential and non-residential activities (other than those listed in Section 3 above) which take place outside school hours, but only if the majority of the time spent on that activity takes place outside school hours (time spent on travel counts in this calculation if the travel itself occurs during school hours). (See Section 8)

b) Residential visits during school hours

The board and lodging costs (but only those costs) of residential trips deemed to take place during school time, However pupils whose parents are in receipt of certain benefits (see remissions policy below) will be exempt from paying the cost of board and lodging.

c) Music tuition

Music tuition for individuals or appropriate sized groups of pupils to play a musical instrument or to sing and which is not an essential part of either the National Curriculum or a public examination syllabus for all pupils.

5. Optional Extras

5.1 Charges may be made for optional activities that are known as 'Optional Extras'.

5.2 Any charges made will not exceed the actual cost (per pupil) of provision.

5.3 It is the policy of Great Tew School that charges will (or may) be made as indicated below. Parental agreement will be obtained before a charge is made.

6. Remissions

In order to remove financial barriers from pupils, the governing body has agreed that some activities and visits where charges can legally be made will be offered at no charge or a reduced charge to parents in particular circumstances. This remissions policy sets out the circumstances in which such charges will be waived.

7. Families qualifying for remission or help with charges.

7.1 If remission or help is available in relation to a particular charge it is indicated in the right hand column of the table above. Criteria for qualification for remission are given below.

7.2 Category A

- Income Support
- income-based Jobseeker's Allowance
- income-related Employment and Support Allowance
- support under Part VI of the Immigration and Asylum Act 1999
- the guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

7.3 Additional categories of parents may claim help with some costs on application to the headteacher who may choose to consult with governors.

8. Is a school visit in or out of school time?

If the number of school sessions on a school visit is equal to or greater than 50% of the number of half days spent on the visit it is deemed to have taken place during school hours (even if some activities take place late in the evening). Whatever the starting and finishing times of the school day, regulations require that the school day is divided into 2 sessions. A "half day" means any period of 12 hours ending with noon or midnight on any day.

9. The policy for allocating places on school trips or activities.

9.1 When any visit is arranged, parents will be notified of the policy for allocating places.

9.2 We acknowledge that offering opportunities on a 'first pay, first served' basis discriminates against pupils from families on lower incomes and we will avoid that method of selection.

9.3 Our policy for allocating places in any instance should recognise that parents may not be

able to pay quickly and may have to budget for the trip over a reasonable period of time.

10. Additional considerations

The governing body recognises its responsibility to ensure that the offer of activities and educational visits does not place an unnecessary burden on family finances. To this end we will try to adhere to the following guidelines:

- Where possible we shall publish a list of visits (and their approximate cost) at the beginning of the school year/term so that parents can plan ahead.
- We have established a system for parents to pay in instalments
- When an opportunity for a trip arises at short notice it will be possible to arrange to pay by instalments beyond the date of the trip.

11. Review and monitoring of policy

The policy is reviewed every two years or sooner if issues have arisen. The Headteacher's equality report produced in January each year should alert governors to any difficulties that our Charging and Remissions policy is causing to low income families.
