

GREAT TEW PRIMARY SCHOOL

Naomi Roberts, Vice Chair, Co-opted Governor

I have been a member of the Governing body at Great Tew School since May 2014. Initially as a parent Governor and now as a co-opted Governor. I have been Vice Chair since September 2016. As a Governor I hope to play a part in ensuring that Great Tew school maintains, and further develops, the high standard of excellence that staff, pupils and parents have come to expect.

I relocated to Great Tew, from Shropshire, in 2007 and live just outside the village with my partner, daughter and our 14 dogs!

Since moving to Great Tew I have worked in one of the local secondary schools and a specialist non-maintained school for children with PMLD. I use the knowledge gained in these roles to fulfil the role of SEN link Governor.

I am currently employed as a Digital Darkroom Technician for a local school photography company.
